

Alona Kuznietsova

Junior Frontend Developer

I am a Frontend Developer with expertise in HTML, CSS, JavaScript, and React. I am proficient in SASS, BEM, Tailwind CSS, and Emotion-styles. I specialize in creating adaptive layouts and using adaptive graphics. I have experience as a Team Leader and Scrum Master in team projects. I excel at researching and utilizing information from diverse sources, quickly learning new tasks, and adapting to new software. I possess an analytical mindset and have extensive experience in remote work.
